

Team Barrow Charter

We work together towards these objectives:

- 1. Enable and sustain the Defence Nuclear Enterprise in Barrow efficiently and securely.**
- 2. Diversify and strengthen Barrow's economy and increase productivity.**

We are brought together by these values, in addition to the values of our organisations:

One Team

We trust each other and respect the strengths and constraints of different partners. We are inclusive of all our members, share our problems, and celebrate our shared successes.

Ambition

We are bold and positive in our vision for Barrow. We use the channels open to us to make the case for projects that use Barrow's qualities and rise to its needs.

Every day counts

We have done a lot together, but we still have a lot to do. Focused on our objectives, we work at pace for Barrow, for our submariners, and to keep our country safe, secure, and prosperous.
