Service Area description

The Community Learning and Skills (CLS) Service is an integral part of the Council's Resources and Transformation Directorate. The service is largely externally funded by the Skills Funding Agency with other smaller contracts from the Education Funding Agency and European Social Fund.

The service delivers community learning and skills provision to around 9,000 adults a year in over 200 venues across the county including a network of Council-run community learning centres, schools, children's centres, employer premises, a wide range of community outreach locations and a number of independent externally sub-contracted organisations. The service is focussed on provision which transforms the lives of our most disadvantaged communities, enhances employment opportunities for low skilled residents and meets the needs of local employers.

The service provision consists of a wide range of community learning and skills programmes including: vocational qualifications; work-based learning (including apprenticeships); English & maths (at all levels from entry level through to GCSE); LLDD provision; employability; family learning; ICT; civic engagement; health & well-being, and culture.

Purpose of this post

- To provide high quality learning experiences for students enrolled on accredited Skills programmes within Community Learning, in particular:
