Service Area Description

Legal and Democratic Services

Purpose of this Post

To assist the Chief Legal Officer and Monitoring Officer in the leadership and management of a team in Legal Services ensuring the effective and efficient delivery of legal services by the team.

To provide high quality, environmental advice and practical legal services, in particular of a high level of complexity and strategic importance, to support the Council in achieving its lawful objectives and its corporate governance.

Key Job Specific Accountabilities

1. To manage, including day to day management and supervision of practice in accordance with the practice standards of Legal Services, members of the team.
2. To personally conduct and manage, in accordance with the practice standards of Legal Services, a caseload of files, particularly of a more complex, corporately significant and/or higher risk nature, for internal, and where appropriate external, customers, including providing representation in the courts, tribunals and at other bodies where required.
3. To provide legal advice and other relevant legal services to support the Council with its environmental and sustainability projects and objectives, policy formation, projects, corporate governance, decision making, review and scrutiny and to provide representation at decision making bodies, boards/panels, working groups and on external bodies as required by the role.
4. To assist the Chief Legal Officer and Monitoring Officer in ensuring the provision of the most appropriate and cost-effective method of meeting the client's requirement for legal services, including co-ordinating the provision of services from within the team and across Legal Services and scoping, commissioning and managing external legal advisers.
5. To contribute to the management of Legal Services, including the implementation and maintenance of legal practice standards which comply with Solicitors Regulation Authority requirements and deputising for the Monitoring Officer.

Please note: Annual targets will be discussed during the appraisal process.
