Service Area description

Adult Social Care provides support to vulnerable people ensuring their needs are properly assessed and support is then provided to meet those assessed needs.

Purpose of this post

To work in a District or Locality team to undertake assessments and deliver appropriate person centred support and outcomes for members of the public in Cumbria who have social care needs.

To provide personalised support to optimise individuals' wellbeing and or skills. To work with stakeholders for better outcomes for the people of Cumbria.

The practitioner will manage an agreed case load and be responsible for coordinating outcomes for the individual which promote independence, choice and control, whilst managing risk and operating within defined financial boundaries.

The post holder will be expected to develop knowledge of the 'assets' within the local community and enable individuals to access 'natural' and preventative sources of support, as well as services from other agencies. A strength-based approach should be used to optimise the individual's potential and occupational performance.

Working within a multi-disciplinary and multi-agency environment, the post holder will develop the skills and competencies required in the delivery of person-centred support approaches.

The post-holder will work under the supervision and guidance of designated staff whilst developing effective approaches in the management of more complex case-work.

The post holder will actively promote the work of the Cumberland Council, internally and externally, on the development and delivery of continuously improving modern and competitive services for the people of Cumbria.

Key job specific accountabilities

1. To undertake occupational assessments with customers and their carers, ensuring the development and delivery of personalised support to meet the Council's statutory obligation for the protection and support of adults who have social care needs.
2. Providing advice, guidance and direct support and a range of person-centred interventions, including environmental and functional assessments such as:

- Moving and handling
- Postural management
- Adaptations
- Equipment
- Independent mobility assessments

3. Contribute to developing professional practice by working collaboratively with a wide range of stakeholders, including internal and external stakeholders and senior colleagues

4. To review individual interventions and support plans, monitor outcomes and recommend any necessary adjustments utilising audit measures to support evidence based practice, ensuring the most effective support for personalised outcomes.

5. In collaboration with customers, carers and others, implement the approaches of Personalisation through the use of mechanisms such as Personal budgets, individual service funds and direct payments.

6. Work with relevant professionals, internal and external partners, within a given locality or district to ensure that assessment support and care delivery services are as seamless and timely as possible. This will require knowledge of the assets and services within localities to meet the outcomes identified for those requiring support.

7. Practice within the relevant national legislation, professional standards of practice and organisation policies and procedures ensuring compliance with care/clinical governance principles.

8. To ensure the effective implementation of the Safeguarding Adult Policies and Procedure and support the Local Authorities statutory Duty under the Care Act. This will involve knowledge of the 6 core principles of Safeguarding Adults and the implementation of Making Safeguarding Personal to promote the wellbeing of people by following established procedures to ensure the personal protection and safety of adults at risk. This will involve an ability to assess and plan the support to promote the safeguarding of vulnerable adults.

9. To contribute to multi-disciplinary team discussions, prioritising and triaging cases, in order to allocate work appropriately with the guidance and support of more experienced staff.

10. To prioritise and manage a mixed caseload, which may include some situations where complex and contentious circumstances arise. In these circumstances, work under the guidance and support of more experienced practitioners and engage the wider multi-disciplinary agencies/resources as required and appropriate.

11. Demonstrate effective communication skills including an ability to discuss and explain sensitive information with customers and carers, and produce clear accurate and factual written reports and records in a timely manner. These records must also clearly illustrate the decision making rationale.

12. To undertake continuous professional development required to meet registration with the appropriate registering body. To seek opportunities for professional and personal development as identified and agreed in appraisal and ongoing supervision.

Please note annual targets will be discussed during the appraisal process
