Post Title	Vehicle Workshop Mechanic - Fleet
Job Family	Operations
Job Family Role Profile	OP9ii
Final Grade	Grade 11

To be read in conjunction with the job family role profile

Service Area description

Mechanics play a vital role in the Council's Off-Street Parking & Fleet Services team, inspecting, testing, servicing and repairing a wide range of specialist fleet vehicles and plant. Working from vehicle workshops and test centres across Cumberland, mechanics are essential in the Council's ability to deliver its priority and statutory services for local residents and businesses. This includes providing services for external customers and key partners such as Cumbria's Fire and Rescue Service.

Purpose of this post

To maintain and repair vehicles and associated equipment to the required standards to ensure the Council can meet its operational and other commitments.

Key job specific accountabilities

1. Undertake routine inspection, servicing and repairs of vehicles, and other equipment and undertake unscheduled work, including accident repairs, and modifications as directed.
2. Be part of an 'out of hours' mechanics rota.
3. Attend operational incidents as required to provide emergency repair service.
4. Undertake the delivery and changeover of vehicles, appliances and associated equipment as directed.
5. Undertake the recording of information as required and ensure associated documentation is completed accordingly.
6. Undertake such duties that the Workshop Operations Manager may, from time to time, determine commensurate with the grading of the post.
7. To ensure the standards of work are carried out to the required Council, national and vehicle manufacturers' maintenance standards.
8. Work with the workshop supervisor in developing best practice and a quality regime.
9. Where appropriate, assist the workshop supervisor in the training, developing and mentoring of apprentices and other colleagues
10. To ensure all workspaces and equipment are maintained in a clean and safe condition.
11. To adhere to the Council's equality and diversity policies.
12. All employees are required to conform to the Council's Health and Safety Policy and to accept and carry out their responsibilities under the provision of the Health and Safety at Work Act 1974 and associated regulations.
13. To adopt a flexible approach to working within the Fleet Team accepting and embracing the need to assist any service within the Council where Fleet support is required.
14. To foster professional working relationships with internal and external services to ensure full compliance with all operating, monitoring and control measures are adhered to.

Special Circumstances relating to the post:

15. You will be required to be part of the Fleet team's out-of-hours on-call arrangements.

16. You will receive training on all applicable vehicles to enable you to carry out your duties.
