Service Area Description

Adult Social Care vision is “People living in a place they call home with the people and things that they love, in communities where they look out for one another, doing the things that matter to them.”

The service has a key role in influencing and shaping service models in Westmorland and Furness, and ensures that in all instances people are supported to achieve their most independent outcome in keeping with the Promoting Independence and Wellbeing Programme and becoming a community powered council.

Purpose of this Post

To work in a team to undertake strengths-based assessments and deliver appropriate person-centred support and outcomes for people in Westmorland and Furness who have care and support needs.

To work in a way that promotes independence and enable individuals/groups to maximise their strengths. To work with stakeholders for better outcomes for the people of Cumbria.

The post holder will actively promote the work of the Westmorland and Furness, internally and externally, on the development and delivery of continuously improving modern and competitive services for the people of Westmorland and Furness.

Key Job Specific Accountabilities

1. Be a case holding social worker, undertaking care management, strengths-based social work assessments, capacity assessments and Best Interest Assessments/Decisions with individuals and their carers, ensuring the development and delivery of personalised support to meet the Council's statutory obligations.
2. Use professional judgement to ensure the implementation of effective risk management strategies to support adults at risk which may include Safeguarding Adults enquiries.
3. Act as a point of contact that people can access for support in navigating their way through the care and support system.
4. Work in line with relevant national legislation and professional standards, as well as organisational governance frameworks.
5. Keep up with developments in relevant legislative requirements and best practice guidance, seek out opportunities for CPD and attend organised training as required.
6. Contribute to developing professional practice and delivery of service by working with others including internal and external stakeholders, contributing to service planning and formulation of

ASC policies, making recommendations for improvements, cooperating with change, to ensure standards are maintained and improved, successes are shared lessons are learned.

7. Carry out any other duties commensurate with the role as requested by management
