Service Area description

Short Term Interventions

The Adult Social Care Short Term Interventions Service is for people aged 18+. A primary role of this team is to work across the system to enhance prevention interventions and work to prevent or, delay admission into formal support services. This service will work collaboratively with a range of stakeholders from across the health and social care system and third sector and voluntary groups in Cumbria to ensure short term interventions (including assessment) are undertaken to ensure people are safe and supported using a strengths based approach. The team will support the admission avoidance and the discharge of people from acute and community hospitals in a safe and timely way reducing the risk of delayed transfers of care.

This service will have a key role influencing and shaping Discharge to Assess/Home first models in Cumbria, and ensuring that in all instances people are treated with dignity and respect and are central to discharge planning with a focus on achieving their most independent outcome.

Long Term Assessment and Review Service

The Adult Social Care Long Term Service is for people, aged 18+ who are living in the community and have been identified as having long term care and support needs.

This service will work collaboratively with a range of stakeholders from across the health and social care system and third sector and voluntary groups in Cumbria in ways that recognise strengths, promotes independence and prevents, reduces or delays the need for formal long term care and support provision. Assessments and reviews will be undertaken in a strengths-based way that maximises the use of social capital and community based assets.

The Service will work across health, social care and third sector organisations with a primary focus upon ensuring that all support plans:-

- include robust contingency plans that promote personal resilience to manage temporary changes in need/circumstance
- demonstrate how people will meet their needs from a range of sources, including friends, family, third sector, the community, equipment or assistive technology. Personal budgets will only be allocated for the provision of formal support for identified unmet needs.

Safeguarding Service

The Adult Social Care Safeguarding Service role is to empower and protect those individual's aged 18+ to live in safety, free from abuse and neglect.

This service is responsible for the operational response to all safeguarding concerns and enquiries and will;

- Provide a face to face safeguarding enquiries service to members of the public who by reason of their care and support needs are unable to protect themselves from neglect or abuse.
- Assess the immediate risk of safeguarding concern/s and implement and develop protection plans to mitigate against such risks.
- Complete statutory safeguarding/non-statutory enquiries and reach a conclusion when neglect, harm or abuse has occurred and make recommendation of future actions.
- Work within the making safeguarding personal agenda.
- Work with key partners to enable them to complete internal enquiries where appropriate and audit the findings and actions taken as a safeguarding concern.
- Lead on large scale enquiries where provider failure has safeguarding concerns identified.

Purpose of this post

To work in a team to undertake strengths-based assessments and deliver appropriate person centred support and outcomes for people in Cumbria who have care and support needs.

To work in ways that promote independence and enable individuals/groups to maximise their strengths. To work with stakeholders for better outcomes for the people of Cumbria.

The post holder will actively promote the work of the Cumbria County Council, internally and externally, on the development and delivery of continuously improving modern and competitive services for the people of Cumbria.

Key job specific accountabilities

1. To undertake strengths-based assessments, including environmental and functional assessments with individuals and their carers, ensuring the development and delivery of personalised support to meet the Council's statutory obligation for the protection and support of adults who have care and support needs.
2. Practice within the relevant national legislation, professional standards of practice and organisation policies and procedures and ensure compliance with care/clinical governance principles. Carrying out duties according to instruction, legal and procedural frameworks and individual and organisational performance frameworks.
3. Contribute to developing professional practice and delivery of service by working collaboratively with a wide range of stakeholders, including internal and external stakeholders and senior colleagues.
4. To review individual support/action/risk plans, monitor outcomes and recommend any necessary adjustments utilising audit measures to support evidence based practice, ensuring the most effective support for personalised outcomes.
5. To prioritise and manage a caseload to ensure activities are delivered to an agreed timescale, and deal effectively with communications and situations, gathering information to plan interventions and actions, develop appropriate programmes/plans, including exercising professional judgement in assessing risk to people. Making sound professional decisions on the management of risk which ensures vulnerable people are protected.
6. To exercise individual professional autonomy in order to make recommendations regarding appropriate interventions and evidence this clearly in all recording and correspondence, with reference to relevant practice guidelines. Seek advice and guidance as required.
7. Record, monitor and review case information to ensure complete and accurate case recording is maintained.
8. Work with relevant professionals, internal and external partners, within a given area to ensure that assessment and appropriate care and support interventions fit with other existing provisions to maximise benefits and achieve efficiencies from available resources and meet the needs of people.

9. To ensure the effective implementation of the Safeguarding Adult Policies and Procedure and support the Local Authorities statutory Duty under the Care Act. This will involve knowledge of the 6 core principles of Safeguarding Adults and the implementation of Making Safeguarding Personal to promote the wellbeing of people by following established procedures to ensure the personal protection and safety of adults at risk. This will involve an ability to assess and plan the support for safeguarding enquiries. To make appropriate arrangements to ensure the prevention of harm to, and the protection of adults at risk including referral to the safeguarding processes and procedures.
10. Demonstrate effective communication skills including an ability to discuss and explain sensitive information with people and carers, and produce clear accurate and factual written reports and records in a timely manner using defined policies, procedures and working practices.
11. Act as a point of contact, that communities, people, parents/carers/guardians and their families, can trust and support individuals and groups in making person centred choices and in navigating their way through the care and support system.
12. To seek opportunities for personal development through identified CPD activities and maintain professional standards which are required to meet registration with the appropriate body .Use opportunities in developing professional practice by collaboratively working with a wide range of stakeholders including senior colleagues.

Please note annual targets will be discussed during the appraisal process
